

Manifesto:

Oluwaseyi Adekonojo

Candidate for Risk and compliance Officer

FGC Idoani Alumni Association Elections 2026.

Introduction:

Hello FGC Idoani Alumni Family.

I am running to be the risk and compliance officer of the association in this election. I believe a great school association like ours needs a strong, safe and fair foundation. My goal is not to create restrictive rules but to build a protective shield that helps our events, sets, chapters and projects to succeed without any unexpected problems.

Main 3 main promises:

1. To help bring clear guidance and fair oversight to our team core goals.
2. To protect our funds, data and assets.
3. To spot problems early before they hurt our projects, events or the association.

Why vote for me:

I am organized, reliable, approachable and professionally qualified for the this role. I care about protecting our association's reputation and making sure the association continues to move forward.

Let's build an association that is safe, structured and fun for everyone.

Vote for a safer, fairer and stronger association.

Pro unitate.
