

Manifesto -

Name: Joshua Ojo

Set: Class of 2002

Position: National Treasurer, FGC Idoani Alumni Association (2026)

Vision Statement

"To foster a culture of bulletproof financial integrity, prudent resource allocation, and sustainable growth for the FGC Idoani Alumni Association."

About Me & My Experience

As a proud alumnus of Federal Government College, Idoani, I am stepping forward to serve our national body with a firm commitment to transparency, order, and growth.

Professionally, my background in Financial Services and Tech Consulting has equipped me with strong expertise in budget oversight, liquidity management, and financial risk assessment. Over my 16 years of career experience, I have consistently managed resources with precision and accountability skills. I am eager to apply directly to the management of our association's treasury.

3 Concrete Campaign Goals

1. Prompt Banking & Real-Time Financial Accountability

- **The Goal:** Strictly adhere to our constitutional duty of collecting, receiving, and immediately lodging all association funds into our designated official bank accounts.
- **Action:** Partner with the Financial Secretary to introduce modern digital payment tracking so that every set levy, chapter contribution, and individual donation is receipted, reconciled, and deposited promptly without delay or leakage.

2. Collaborative, Realistic Annual Budgeting

- **The Goal:** Work seamlessly with the National President, NEXCO, and the National Executive Council to draft comprehensive annual budgets (covering January 1 to December 31).
- **Action:** Ensure our estimated revenues and project expenditures are aligned with realistic forecasts, prioritizing funding for high-impact alma mater projects, student/school support initiatives, and member welfare.

3. Prudent Capital Investment & Surplus Growth

- **The Goal:** Move our treasury beyond passive money-holding to active, secure wealth preservation.
- **Action:** Pursuant to constitutional approval by the National Executive, safely invest idle association monies into low-risk, approved financial securities to generate passive returns for the association's long-term sustainability.

My Pledge to You

If elected as your National Treasurer, I promise open doors, strict compliance with our national constitution, and absolute integrity in managing every Naira entrusted to the National Executive Committee.

Let us build a financially secure, self-sustaining alumni association together.

Vote Joshua Ojo for National Treasurer!

Service, Integrity, and Financial Stewardship.
